With vigor
Sweet-
She

love that I bear you, I'm off to fight for Un - cle Sam, and he may need you too.
may you soon re - turn, I love you more than ev - er since you sang this sweet re - frain.

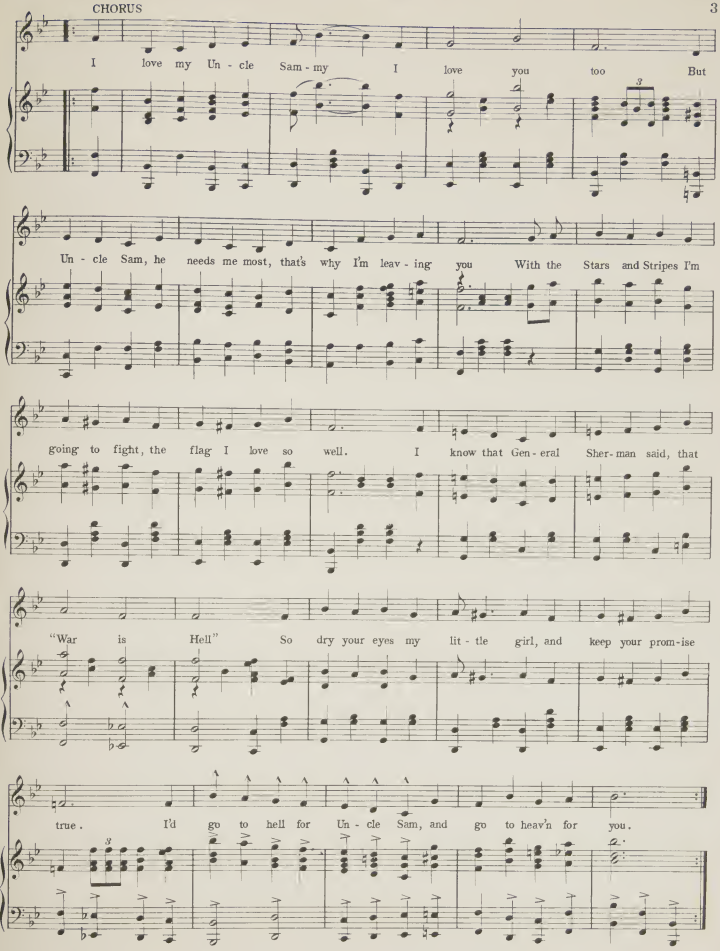
CHORUS



I love my Un - cle Sam - my I love you too But
Un - cle Sam, he needs me most, that's why I'm leav - ing you With the Stars and Stripes I'm
going to fight, the flag I love so well. I know that Gen - eral Sher - man said, that
"War is Hell" So dry your eyes my lit - tle girl, and keep your prom - ise
true. I'd go to hell for Un - cle Sam, and go to heav'n for you.
